NOTES:

1. This advisement guide has been developed in collaboration with representatives from SUNY Brockport, for the purpose of helping students meet FLCC graduation requirements while preparing for transfer to SUNY Brockport. The recommendations may include courses which are beyond the minimum requirements for FLCC graduation. Students are responsible for ensuring that their course selection meets requirements of FLCC graduation as well as those of SUNY Brockport. For information about minimum FLCC graduation requirements, see the College's catalog or your academic advisor. For information about SUNY Brockport's requirements, check SUNY Brockport's website www.brockport.edu.
2. For students participating in the Joint Admissions Program with SUNY Brockport, maintaining continuous study, achieving a minimum 2.5 GPA and successfully completing courses as specified in this advisement guide are required. Additional GPA requirements exist for Accounting (2.5 in specified prerequisite courses), Business Administration (2.5 in specified prerequisite courses), International Business (3.0 in specified prerequisite courses), Social Work (3.0) and education certification programs (3.0). If these conditions are not met, continued participation in the program and acceptance to SUNY Brockport will be in jeopardy.
3. Completion of this course does not exempt students from the computer skills exam required by SUNY Brockport.
4. SUNY Brockport requires a grade of at least a "C" in each course used to satisfy a Health Science major requirement.
5. The BS Health Science degree program with the Health Education (K-12) track prepares students for positions as health teachers in elementary and secondary schools and as health educators in various community settings.
