

## **University of the Ozarks Transfer Policy**

Students who have previously attended another college or university but have attempted or earned (completed courses) fewer than thirty semester credit hours must follow the same admission process as entering students and, in addition, must submit official transcripts of all college work attempted. In considering the applications of such students, the Admissions Committee will evaluate their performance both in high school and in college.

Students who have earned thirty hours or more must complete an application form and submit official transcripts from all previous institutions. Transcripts must be submitted from each institution attended even when credits attempted at the institution will not transfer into an Ozarks degree program.

Transfer students must have at least a 2.00 grade point average (on a 4.0 scale) in all previous college work to be considered for admission. Courses in which students have earned grades of C- or higher may transfer but will not be counted in a student's cumulative grade point average at Ozarks. No student may transfer more than sixty-six hours from junior or community colleges.

Students seeking to transfer to Ozarks may be denied admission if they did not leave their previous institution in good standing. Students unable to submit official transcripts of transfer work will not be admitted. Failure to report attendance at another institution, regardless of whether credit was granted, may result in dismissal from Ozarks.
