- ▶ Costs and Financial Aid
- ▶ Facts and Figures

This is UC Santa Cruz...

Make a World of Difference At UC Santa Cruz, making a world of difference means both changing the world for the better, and creating a world where differences among us are celebrated. Engage in our rigorous academic programs, participate in our innovative research and scholarship, and find your niche (or niches!) in our over 100 student organizations, or in our athletic teams.

Come be a part of our university!

How UC Santa Cruz is ranked worldwide

- ▶ **1st worldwide** for research impact in molecular biology and genetics (2008, *Science Watch*)
- ▶ **1st nationally** for research impact in physics (2007, *Science Watch*)
- ▶ **3rd nationally** for scholarly productivity in music and environmental health engineering (2007, *Chronicle of Higher Education*)
- ▶ **4th in North America** for research productivity in conservation biology (2007, *Conservation Biology*)
- ▶ **6th worldwide** in international finance (2009, *Research Papers in Economics*)
- ▶ **18th worldwide** for research impact in geosciences (2010, *Times Higher Education*)
- ▶ **29th nationally** among public doctoral universities (2010, *U.S. News & World Report*)
- ▶ **UC's Education Abroad Program (EAP)** Many UCSC students participate in EAP, which offers study abroad in 34 countries. Over the last five years, UCSC has had one of the highest percentages of students participating in EAP of all UC campuses. eap.ucop.edu

admissions.ucsc.edu/rankings

Michelle Romero

Literature major, intensive track

Hometown: Newark, California

Transferred from: Foothill College

"My internship with the Student Union Assembly is at the heart of what I want to do in life, working in social justice issues and advocating for educational reform. The feeling that I'm making a difference is rewarding."

Majors, Minors, and Concentrations

admissions.ucsc.edu/majors

At UC Santa Cruz, you will have a wide range of academic options. The campus offers majors and minors in the arts, engineering, humanities, physical and biological sciences, and social sciences.

American Studies (B.A.)
 Anthropology (B.A., Ph.D., Minor)
 Archaeology* (Ph.D. Concentration)
 Cultural Anthropology* (Ph.D. Concentration)
 Physical Anthropology* (Ph.D. Concentration)
 Applied Economics and Finance* (M.S.)
 Applied Mathematics (Minor)
 Applied Physics** (B.S.)
 Art** (B.A.)
 Astronomy and Astrophysics* (Ph.D.)
 Astrophysics (Minor)
 Biochemistry and Molecular Biology (B.S.)
 Bioengineering** (B.S.)
 Bioelectronics (B.S. Concentration)
 Biomolecular (B.S. Concentration)
 Rehabilitation (B.S. Concentration)
 Bioinformatics** (B.S., M.S., Ph.D., Minor)
 Biology (B.A., B.S., Minor)
 Bioeducation (B.A. Concentration)
 Business Management Economics** (B.A.)
 Chemistry (B.A., B.S., M.S., Ph.D., Minor)
 Biochemistry (B.S. Concentration)
 Environmental Chemistry (B.S. Concentration)
 Classical Studies (B.A., Minor)
 Cognitive Science** (B.S.)
 Computer Engineering** (B.S., M.S., Ph.D., Minor)
 Computer Systems (B.S. Concentration)
 Digital Hardware (B.S. Concentration)
 Networks (B.S. Concentration)
 Robotics and Control (B.S. Concentration)
 Systems Programming (B.S. Concentration)
 Computer Science** (B.A., B.S., M.S., Ph.D., Minor)
 Computer Science: Computer Game Design** (B.S.)
 Computer Technology (Minor)
 Digital Arts and New Media* (M.F.A.)
 Earth Sciences (B.S., M.S., Ph.D., Minor)
 Environmental Geology (B.S. Concentration)
 Geochemistry* (Ph.D. Concentration)
 Geology* (Ph.D. Concentration)
 Geophysics* (Ph.D. Concentration)
 Ocean Sciences (B.S. Concentration)
 Planetary Sciences (B.S., M.S., Ph.D. Concentrations)
 Science Education (B.S. Concentration)
 Earth Sciences/Anthropology (B.A.)
 East Asian Studies (Minor)
 Ecology and Evolution (B.S.)
 Ecology and Evolutionary Biology* (M.A., Ph.D.)
 Economics** (B.A., Minor)
 Economics/Mathematics (B.A.)
 Education* (M.A., Ph.D., Ed.D., Minor)
 Bilingual-Multicultural Education* (M.A. Concentration)
 Multiple Subjects Credential (Elementary)* (M.A. Concentration)
 Single Subjects Credential (Secondary)* (M.A. Concentration)
 Electrical Engineering** (B.S., M.S., Ph.D., Minor)
 Electronics/optics (B.S. Concentration)
 Communications, Signals, Systems, and Control (B.S. Concentration)
 Electronic Music (Minor)
 Environmental Studies (B.A., Ph.D.)
 Environmental Studies/Biology (B.A.)
 Environmental Studies/Earth Sciences (B.A.)
 Environmental Studies/Economics (B.A.)
 Feminist Studies (B.A.)
 Culture, Power, and Representation (B.A. Concentration)
 Law, Politics, and Social Change (B.A. Concentration)
 Science, Technology, and Medicine (B.A. Concentration)
 Sexuality Studies (B.A. Concentration)
 Film and Digital Media** (B.A., Minor)
 Critical Studies** (B.A. Concentration)
 Integrated Critical Practice** (B.A. Concentration)
 Production** (B.A. Concentration)
 German Studies (B.A.)
 Global Economics** (B.A.)
 Global Information and Social Enterprise Studies (Minor)
 History (B.A., M.A., Ph.D., Minor)
 Americas and Africa (B.A. Concentration)
 Asia and the Islamic World (B.A. Concentration)
 Colonialism, Race, and Transnational Migration* (Ph.D. Concentration)
 Europe (B.A. Concentration)
 History of Gender* (Ph.D. Concentration)
 History of Art and Visual Culture (B.A., Minor)
 Religion and Visual Culture (B.A. Concentration)
 History of Consciousness* (Ph.D.)
 Human Biology (B.S.)

Research opportunities

As a student at UCSC, you can join ongoing faculty research and creative projects or develop your own projects under the supervision of a mentor. Many of our undergraduates copublish papers in academic journals.

www.ucsc.edu/students/undergraduate

Distinctive communities of learning: the 10 residential colleges

Your UCSC college is a smaller community within the university where you will find intellectual engagement, academic and personal support, opportunities for leadership, and friendships. You will be affiliated with a college whether you live on campus or not. Our colleges are interdisciplinary, so all majors are welcome at all colleges.

housing.ucsc.edu/colleges

Student organizations

UCSC offers over 100 student organizations, which allow you to develop your leadership skills, learn more about yourself and others, and just have fun!

admissions.ucsc.edu/organizations

Athletics and recreation

In addition to numerous club sports and intramural teams, UCSC has men's and women's NCAA Division III teams in basketball, soccer, swimming and diving, tennis, and volleyball, plus women's crosscountry and golf.

Athletics: www.goslugs.com

Recreation: opers.ucsc.edu

Information Systems and Technology Management (Minor)
 Information Systems Management** (B.S.)
 International Economics* (Ph.D.)
 Italian Studies (B.A., Minor)
 Jazz (Minor)
 Jewish Studies (B.A., Minor)
 Language Studies (B.A., Minor)
 Chinese (B.A. and Minor Concentration)
 French (B.A. and Minor Concentration)
 German (B.A. and Minor Concentration)
 Italian (B.A. and Minor Concentration)
 Japanese (B.A. and Minor Concentration)
 Modern Hebrew (B.A. and Minor Concentration)
 Russian (B.A. and Minor Concentration)
 Spanish (B.A. and Minor Concentration)
 Latin American and Latino Studies (B.A., Minor)
 Latin American and Latino Studies/Global Economics (B.A.)
 Latin American and Latino Studies/Literature (B.A.)
 Latin American and Latino Studies/Politics (B.A.)
 Latin American and Latino Studies/Sociology (B.A.)
 Legal Studies (B.A., Minor)
 Linguistics (B.A., M.A., Ph.D., Minor)
 Applied Linguistics (B.A. Concentration)
 Computational Linguistics (B.A. Concentration)
 Psycholinguistics (B.A. Concentration)
 Theoretical Linguistics (B.A., M.A., and Ph.D. Concentrations)
 Literature (B.A., M.A., Ph.D., Minor)
 Creative Writing** (B.A. Concentration)
 English-Language Literatures (B.A., M.A., and Ph.D. Concentrations)
 French Literature (B.A., M.A., and Ph.D. Concentrations)
 German Literature (B.A. Concentration)
 Greek and Latin Literatures (B.A. Concentration)
 Italian Literature (B.A. Concentration)
 Modern Literary Studies (B.A., M.A., and Ph.D. Concentrations)
 Pre- and Early Modern Studies (B.A., M.A., and Ph.D. Concentrations)
 Spanish/Latin American/Latino Literatures (B.A., M.A., and Ph.D. Concentrations)
 World Literature and Cultural Studies (B.A., M.A., and Ph.D. Concentrations)
 Marine Biology (B.S.)
 Mathematics (B.A., M.A., Ph.D., Minor)
 Computational Mathematics (B.A. Concentration)
 Mathematics Education (B.A. Concentration)
 Pure Mathematics (B.A., M.A., and Ph.D. Concentrations)

Microbiology and Environmental Toxicology* (M.S., Ph.D.)
 Molecular, Cell, and Developmental Biology (B.S., M.A., Ph.D.)
 Music (B.A., B.M., M.A., Ph.D.)
 Music Composition* (D.M.A.)
 Neuroscience (B.S.)
 Ocean Sciences* (M.S., Ph.D.)
 Biological Oceanography* (Ph.D. Concentration)
 Biology* (M.S. Concentration)
 Chemical Oceanography* (Ph.D. Concentration)
 Chemistry* (M.S. Concentration)
 Earth Sciences* (M.S. Concentration)
 Geological Oceanography* (Ph.D. Concentration)
 Physical Oceanography* (Ph.D. Concentration)
 Physics* (M.S. Concentration)
 Philosophy (B.A., M.A., Ph.D., Minor)
 Religious Thought (B.A. Concentration)
 Physics** (B.S., M.S., Ph.D., Minor)
 Physics (Astrophysics)** (B.S.)
 Physics Education** (B.S.)
 Plant Sciences (B.S.)
 Politics (B.A., Ph.D., Minor)
 Psychology** (B.A., Ph.D., Minor)
 Cognitive Psychology* (Ph.D. Concentration)
 Developmental Psychology* (Ph.D. Concentration)
 Social Psychology* (Ph.D. Concentration)
 Science Communication* (Graduate Certificate)
 Science, Technology, Engineering, and Mathematics (STEM) Education (Minor)
 Social Documentation* (M.A.)
 Sociology** (B.A., Ph.D., Minor)
 Statistics (Minor)
 Statistics and Applied Mathematics* (M.S./Ph.D.)
 Theater Arts (B.A., Graduate Certificate, Minor)
 Asian Theater* (Graduate Certificate Concentration)
 Dance (B.A. and Graduate Certificate Concentrations)
 Design and Technology (B.A. and Graduate Certificate Concentrations)
 Drama (B.A. and Graduate Certificate Concentrations)
 Dramatic Literature* (Graduate Certificate Concentration)
 Playwriting* (Graduate Certificate Concentration)

*No undergraduate degrees are available in these majors.
 **These majors require additional screening.

The selection process for transfer students to UC Santa Cruz requires that you have the rigorous academic preparation needed for admission to a major research institution. UC Santa Cruz selects qualified junior-level transfer students who have met and exceeded the requirements outlined in this document. Transfer students are advised to complete as much as possible of the required lower-division preparatory course work for their intended major prior to enrolling at UCSC.

or 4–5 quarter units each) chosen from at least two of the following subject areas: arts and humanities, social and behavioral sciences, and physical and biological sciences.

Non-California residents

The minimum admission requirements are the same, except that you must have a GPA of 2.80 or higher in all UC-transferable college course work.

Deadline for meeting transfer requirements

UC Santa Cruz requires that all transfer requirements be completed by the end of the spring term 2011 if you are applying for fall 2011. If you plan to complete the required courses in English composition and mathematics in spring 2011, you must have demonstrated adequate preparation in the related prerequisite course work. If any of the prerequisites are met through a placement exam, this information should be noted in the additional comments section of the application.

Selection Criteria

UC-qualified transfer students will be selected primarily on the basis of academic performance and preparation, as assessed by a comprehensive review of the following: GPA in all UC-transferable courses; completion of and performance in lower-division prerequisite courses in your proposed major; completion of a specified pattern of courses that meet general education requirements; participation in academically selective honors programs and performance in honors courses.

Other factors that may be assessed include outstanding performance in one or more academic subject areas, special projects, or programs; talents, achievements, experiences, or interests that will contribute to the vitality and educational environment of the campus; and special circumstances or personal challenges, especially as they relate to the social or educational environment(s), that have affected your life experience.

Class standing

Please note that, due to the high volume of applications that UC Santa Cruz receives, the campus is open to junior-level transfer students only. Lower-division transfer students (sophomores) are not considered for admission to UCSC.

UC Santa Cruz does not accept students who have completed 90 UC-transferable semester units (135 quarter units) or more from a combination of two-year and four-year institutions (senior standing). If you have earned all of your credits from community college, you are not affected by this limit, because UC grants a maximum of 70 semester (105 quarter) units in transfer from community college.

VETS Peer Mentor Program Coordinator and transfer student Dani Molina, reviewing notes with a fellow student vet

Second baccalaureate applicants

Second baccalaureate candidates are evaluated on a case-by-case basis when enrollment allows. Contact the Office of Admissions for more information prior to applying.

Applicants with international academic records

UCSC welcomes transfer students who have completed course work outside the United States. A record of course work from collegiate institutions and universities outside of the U.S. must be submitted for evaluation. If your native language is not English and your education in high school or at the college or university level was in a country where English is not the native language, UC Santa Cruz requires one of the following:

- ▶ A minimum score of 220 (computer-based) or 550 (paper-based) on the Test of English as a Foreign Language (TOEFL)
- ▶ A minimum score of 7 on the International English Language Testing System (IELTS) academic module
- ▶ Completion of two UC-transferable English composition courses (not ESL) in the U.S. with grades of B (3.00) or better

Preparing to Transfer

Preparing for your major

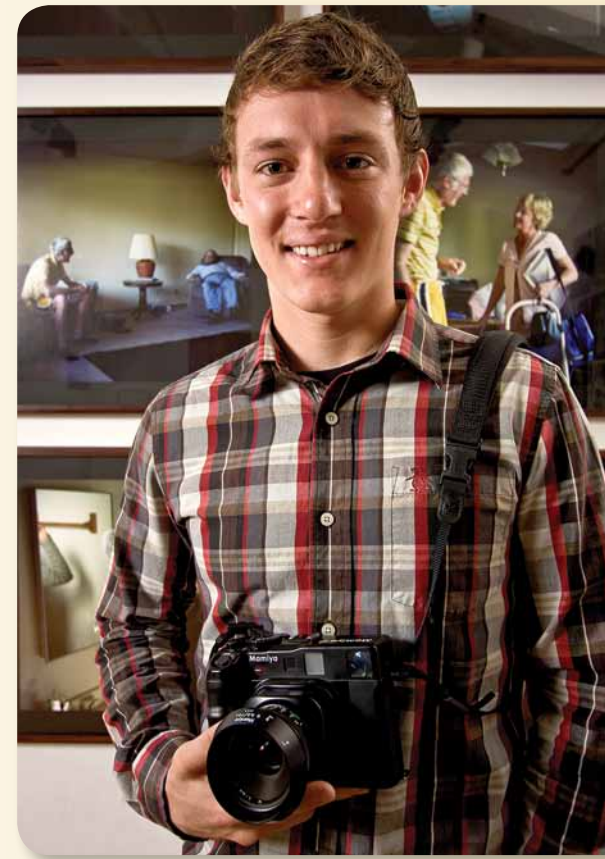

You are strongly encouraged to concentrate on completing as many of the lower-division courses as possible for your chosen major prior to transferring to UCSC. This is particularly important if your major requires preparatory courses in mathematics and the sciences. Strong preparation will ease your transition to the university, shorten your time to degree, and leave more flexibility in your schedule to explore additional academic interests. Information regarding the required courses for each major can be found in the *UC Santa Cruz General Catalog* at reg.ucsc.edu/catalog and www2.assist.org/exploring-majors/findMajorListByInstitutionAbbrev.do?abbrev=UCSC.

Most transfer students are admitted to the campus as prospective majors (as listed on the UC application). We strongly advise junior-level transfer students to research the requirements for their intended major in the *UC Santa Cruz General Catalog* or on the UCSC academic department's web site. Many majors require specific course work and/or GPA levels for acceptance. Junior transfers are required to declare their major no later than their second quarter of attendance.

Art majors: Junior transfer students are accepted into the art major after passing the portfolio review. The UC application and the Art Department portfolio review application are separate and independent processes. Being accepted to UC Santa Cruz does not guarantee that you will pass the portfolio review, and passing the portfolio review does not guarantee admission to UC Santa Cruz. More information on the portfolio review can be found at art.ucsc.edu or by calling the Art Department at (831) 459-3551.

Jack Baskin School of Engineering: Acceptance into any Jack Baskin School of Engineering (BSOE) major will be based on completion of and grades earned in the individual department's foundation courses, in addition to the overall college academic record. IGETC is not recommended for engineering transfer students. The foundation courses required for admission to BSOE majors are described at ugrad.soe.ucsc.edu/admissions. For more information, e-mail soeadmissions@soe.ucsc.edu or call (831) 459-5840.

All other majors: During the declaration of major process, which occurs once you are already enrolled at UC Santa Cruz, other departments may screen for admission to their majors using criteria well beyond minimum admission requirements. For further information, please consult advising.ucsc.edu/roadmap/premajors, the *UC Santa Cruz General Catalog*, and the appropriate UCSC academic department web site.

Bryce Walker

Art major

Hometown: Seattle, Washington

Transferred from: Diablo Valley College

"The major is rigorous – it's very hard to get an A in the Art Department. I'm working on campus sometimes 14, 16 hours a day, but I don't even notice it because I love it."

Admission by Exception

Admission by Exception is granted to a very small percentage of applicants who do not meet the UC transfer requirements. Such factors as academic accomplishments in light of your life experiences and/or special circumstances, socioeconomic background, special talents and/or achievements, contributions to the community, and the quality of your personal statement are taken into consideration.

UC Santa Cruz Transfer Admission Guarantee (UCSC TAG)

The UC Santa Cruz Transfer Admission Guarantee (UCSC TAG) Program is designed for California community college transfer students at the junior level. To apply for the UCSC TAG Program, you must:

- (1) have completed a minimum of 30 UC-transferable semester units (45 quarter units) of course work at the time of application;
- (2) have fewer than 20 semester units (30 quarter units) completed at a four-year institution;
- (3) have at least a 3.00 GPA in all UC-transferable course work; and
- (4) be enrolled at a participating California community college.

UCSC TAG is only available for students entering fall quarter. The filing period for fall 2011 is September 1–30, 2010. The online application is available at uctag.universityofcalifornia.edu. For more information, see your community college Transfer Center director and admissions.ucsc.edu/counselors/TAG.cfm

Designed to be a truly 21st century library, the newly renovated and expanded McHenry Library will feature wireless networking throughout the building and in the lawn area outside, a film and music center, a visual resource center, and a “cyber study” room and café.

Application filing period

Fall quarter: November 1–30

**Note: Check admissions.ucsc.edu in June for winter updates.*

Applying for admission

Apply to UC Santa Cruz by completing the UC application: www.universityofcalifornia.edu/apply.

The online application explains the filing process and instructions for submitting your application.

To ensure that you will be considered for admission to the university, you must file your application during the November filing period shown above.

Financial aid and scholarships

All applicants are encouraged to submit the Free Application for Federal Student Aid (FAFSA) no later than March 2 online at fafsa.gov (the School Code for UCSC is 001321). This application is used to determine eligibility for all grants, scholarships, work-study, and federal education loans for students and parents. California residents must also submit a GPA Verification Form by March 2 to be considered for the state Cal Grant (www.csac.ca.gov). Detailed information is available at the Financial Aid and Scholarship Office web site: financialaid.ucsc.edu.

Blue and Gold Opportunity Plan

UC’s Blue and Gold Opportunity Plan guarantees that eligible California resident undergraduates with family incomes up to \$70,000 will receive gift assistance that will, at a minimum, cover all their mandatory systemwide fees during the academic year. admissions.ucsc.edu/discover/blueandgold.cfm

ASSIST

Comprehensive articulation information, including transferable course agreements (TCAs) for all California community colleges, is available on the ASSIST web site: assist.org.

Housing

Two years of university housing are guaranteed for new transfer students entering single-student housing in fall 2011, as long as all deadlines are met. New transfer students requesting university housing are housed in the Transfer Community at Porter College.

Contact your local representative

Prospective students and their families in California, as well as California community college counselors, may contact their Admissions Regional Representative for more information. Please see admissions.ucsc.edu/contact.cfm for the representative in each county.

Facts & Figures

Name: University of California, Santa Cruz

Opened: 1965

Emphasis: A top tier, nationally ranked research university devoted to excellence in undergraduate and graduate education, with a core principle of bringing together research from multiple disciplines.

A profile of UC Santa Cruz students

- ▶ **Total enrollment for fall 2009:** 16,775
15,259 undergraduates
1,516 graduate students
- ▶ 53.1% women; 46.5% men
(0.4% unknown)

New transfer student hometowns, fall 2009

San Francisco Bay Area	26.2%
Other Northern California	1.9%
Monterey Bay Area/Santa Clara Valley	29.4%
Central Valley Area	13.5%
Los Angeles Area/South Coast	21.6%
San Diego Area	6.7%
Out of State	0.2%
International	0.1%
Unknown	0.4%

Financial aid

In 2009-10, more than **\$180 million** in student aid was distributed to UC Santa Cruz undergraduates.

For more information, please see: financialaid.ucsc.edu

Undergraduate expenses, 2010-11*

	On campus	Off Campus
Fees (estimated)**	\$ 11,415	\$ 11,415
Food and Housing	14,172	10,437
Books and Supplies	1,404	1,404
Transportation	870	1,614
Personal Expenses	1,524	1,635
Resident Totals	\$ 29,385	\$ 26,505
Additional Nonresident Fees	858	858
Nonresident Tuition	22,020	22,020
Nonresident Totals	\$ 52,263	\$ 49,383

*Undergraduate budgets are subject to change. For updated information, see admissions.ucsc.edu/financial_aid

**Additional \$1,353 (estimate) health insurance fee is charged if student is not already covered.

Ethnic composition of undergraduates

UC Santa Cruz seeks to enroll and graduate a student body that reflects California’s diverse cultural, racial, geographical, and socioeconomic backgrounds. In fall 2009, the ethnic composition of undergraduates was African American, 2.7%; Native American, 1.0%; Asian American/Pacific Islander, 21.9%; Chicano/Latino, 18.1%; Euro-American, 48.3%; international, 0.4%; not stated, 7.6%.

Mean GPA of transfer students admitted for fall 2010: 3.27

Class size: 68% of undergraduate courses have fewer than 30 students; 77% have fewer than 50.

Student/faculty ratio: 19.2 to 1

Halima Williams

Health sciences major (now human biology)

Hometown: San Diego, California
Transferred from: Grossmont College

“I grew up in San Diego, which has all different kinds of people—it’s a real melting pot. I wanted to go somewhere diverse.”

How to get to UC Santa Cruz:

The campus is located off Highway 1 on the Central Coast of California 75 miles south of San Francisco, 350 miles north of Los Angeles, and 30 miles southwest of San Jose. For directions, please visit maps.ucsc.edu/cmdirections.html

Come Visit!

Campus tours are offered year-round.

Make reservations online.

Making an impact after graduation

For 45 years, UC Santa Cruz has been educating students to become leaders in their fields. For example:

- ▶ **Dr. Alexander Gonzalez** (M.S., '77, Ph.D., '79, psychology), president of California State University, Sacramento
- ▶ **Digby Horner** (B.A., computer science/chemistry, '84), senior vice president, Engineering Technologies Group, Adobe Systems
- ▶ **Teresa Ish** (B.A., environmental studies/biology, '00; M.S., marine sciences, '03), cofounder of nonprofit Sustainable Fisheries Advocates
- ▶ **Marti Noxon** (B.A., theater arts, '87), writer for the Emmy Award-winning television drama *Mad Men*

▶ **Paul Simpson** (B.A., business management economics, '02), entrepreneur, owner of SageTel International, a technological consulting firm

▶ **Mark Teague** (B.A., history, '85), best-selling children's author and illustrator of more than 40 books, including *How Do Dinosaurs Say Good Night?*

Paul Simpson

Marti Noxon
