

TRANSFER STUDENTS

An applicant who has completed 12 or more semester hours at an institution recognized by the Council for Higher Education Accreditation is considered a transfer applicant. The Admissions Staff will evaluate transfer credit and core credit. For further details, see catalog section on core curriculum. Requests for core credit based on a course meeting the “spirit” of the core will be referred to the chair of the Core Commission for evaluation.

TRANSFER CANDIDATES MUST SUBMIT:

- An Application for admission
- Proof of high school completion or G.E.D. (General Equivalency Diploma).
- An official copy of all college transcripts from each post-secondary institution previously attended. An applicant who fails to indicate attendance at a previous institution at the time of application may forfeit eligibility for transfer credit.
- FAFSA (if applying for financial aid).
- Application Fee

The University of Bridgeport reserves the right to waive the need for certain documents or to request additional documentation. Transfer credit is normally awarded only for courses in which a grade of “C” or better is earned. Dental Hygiene applicants are required to also submit an official high school transcript, official SAT/ACT scores, a personal statement, and letters of recommendation. The status of any applicant admitted before all final, official transcripts are received will be reevaluated upon receipt of the final transcript. Transfer applicants are urged to apply well in advance of the opening date of the term in which they plan to enter. This will enable the student to receive a timely evaluation of their transfer credit and appropriate academic advisement and program planning. Students are admitted for both the Fall and Spring terms. Students must notify the Office of Admissions if it is their intention to defer their enrollment. Students are required to complete their last thirty semester hours at the University of Bridgeport and meet course requirements as described in each program to be eligible for a degree. A maximum of 66 credits may be awarded from two-year colleges and 90 credits from accredited four-year institutions. Transfer credit is awarded on a course by course basis.
