

## **Transfer & Transient Students**

### **Transfer Students**

Students must provide transcripts from all colleges or universities attended for evaluation of credit. Only those courses with a grade C or better that meet the quality of established standards and are essentially the same content as courses taught at Lanier Technical College are considered for transfer.

A transfer student is admitted to Lanier Technical College:

- In good standing if the student was in good standing at their former institution.
- On probation if the student was on warning at their former institution. To be removed from academic probation a student must earn a grade point average of at least 2.0 during the first quarter enrolled.
- On probation if the student was on probation at their former institution. A student admitted on probation must earn a grade point average of at least 2.0 during their first quarter enrolled.
- On probation if the student was on academic suspension at their former institution. A student admitted on probation must earn a grade point average of at least 2.0 during the first quarter enrolled.

### **Transient Students**

A student in good standing at another accredited institution may be permitted to enroll as a "transient" student on a space-available basis in order to complete work to be transferred to the parent institution. A transient student should be advised in writing by the parent institution concerning recommended courses. The transient student must:

- Submit an application and \$15 non-refundable application fee to Lanier Technical College.
- Present a statement from the Registrar or Academic Dean of the parent institution that the student is in good standing and eligible to return to that institution. Enrollment is usually limited to one quarter; and,
- Pay all scheduled tuition and fees of Lanier Technical College or have pre-approval for financial aid.
- Applicants for transient status must re-apply and receive transient status approval for each quarter that they wish to enroll under the transient status.
