

## Transfer Students

### Transfer applicants are welcome at Trinity!

We are delighted that you are considering continuing your education at Trinity. If you decide to transfer to Trinity, you will not be alone in your decision. Approximately one-third of our new students each year are transfers.

In addition to the [standard application process](#), interested transfer applicants must submit all official college and final high school transcripts. Transfers with 12 cumulative credit hours in non-technical courses are not required to submit ACT/SAT scores. Trinity also awards college credit for military experiences, AP exams (minimum score of 3 or higher), and CLEP exams. For more information, see the [University Records](#) page.

Once accepted to Trinity International University, transfer work will be evaluated and a [transfer credit evaluation](#) will be given to you by our Transfer Admissions Counselor. Work will be evaluated according to our current [general education requirements](#) and [desired major](#) requirements (those wishing an evaluation sooner should make that request to the Admissions Office). Transfer credit may be granted for "C-" or better work from an accredited college or Bible institute. While practicing a fairly liberal transfer policy, the university reserves the right to accept only courses that are equivalent in content, objectives, and extent to those offered by Trinity. Students may receive credit for subjects not offered at Trinity but validated by the University Registrar.

A maximum of sixty-four (64) semester hours from two-year degree granting institutions are transferable. At least thirty (30) of the last forty-five (45) hours must be taken at Trinity. A minimum of nine (9) upper division credits in the major must be earned while in residence.

### Are you planning on transferring from a community college near Trinity?

Please make sure to review our list of [Transfer Guides](#) to see how courses you have completed at one of Trinity's neighboring community colleges fulfill our [general education requirements](#). If your college is not listed, feel free to contact the Admissions Office at 800.822.3225 or [tcadmissions@tiu.edu](mailto:tcadmissions@tiu.edu), and we can help with your transfer questions.
