

## Welcome to the **University of Northern Iowa!**

We invite you to learn more about what we have to offer. With more than **120 academic majors** and small class sizes, many students describe UNI as the **perfect fit**.

If you are transferring from a community college in Iowa, **Transfer Plan-It** will assist you in determining which UNI requirements you may have already satisfied. If you haven't done so already, experience UNI first hand by scheduling a **visit**.

We'll be here to help you learn about **admission requirements**, search for **scholarships**, find a **place to live**, and discover the perfect **student organization** just for you.

No matter where you are from, we hope you will choose UNI to be your next home.

## Admissions: Transfer Admission Requirements

Transfer applicants will be admitted if they meet the minimum combination of the grade point average and total semesters outlined below. Transfer applicants under disciplinary suspension will not be considered for admission until further information concerning the reason for the suspension has been received from the assigning college, and students who are on academic suspension at the last college attended will not be admitted.

Transferable credit hours	Grade point needed	
1-23	2.50*	* Applicants transferring fewer than 24 semester hours must also meet the <b>admissions requirements</b> for students entering UNI directly from high school.
24-41	2.50	
42-59	2.25	
60+	2.00	

Some majors have **additional entrance requirements** which may include higher GPA standards than outlined by overall University admission policies. Therefore, it is possible for students to be eligible for admission to the University, but not meet entrance requirements for their anticipated major.

**Transfer Plan-It** is an online service designed to assist you in determining which UNI requirements you may have satisfied at an Iowa community college. Upon admission to UNI, you will receive your personalized Degree Audit and Advisement Report.
