

To Apply for Undergraduate Admission as a Transfer Student

Undergraduate transfer applicants to Hofstra University may apply by using this paper application or by using our online application at www.hofstra.edu/apply (application fee is reduced to \$30 for online applicants). International candidates should file the **Hofstra University International Undergraduate Student Application for Admission**. To receive a copy, contact us at the address listed above. Please be advised that all materials and documents submitted as part of an application become the property of Hofstra University and cannot be returned to the applicant.

Hofstra University accepts transfer applications for the fall and spring semesters. Transfer candidates are considered on a “rolling basis.” While there is no deadline for applications, students are encouraged to apply on or before **March 1** for the fall semester and **November 1** for the spring semester so as to receive the fullest consideration. Once your application and all supporting credentials are received, your application will be reviewed by our Admission Committee. We begin notifying transfer applicants of their admission decisions in mid-November for the spring and late February for the fall, then on a rolling basis thereafter.

Students who found it necessary to leave after completing course work at Hofstra University may apply for re-admission by filing this application.
