Pathways Transfer Program for Community College Students

Empire State College partners with community colleges across New York State and beyond to provide a seamless transfer into our bachelor's degree programs.

The Pathways Transfer Program helps you succeed by easing the transition from classroom-based learning at your community college to an engaging blend of independent study, residencies, and online courses found at Empire State College.

Pathways Transfer Program Benefits

- Transfer your entire associates degree, including up to 80 credits
- Take courses at your community college during the first year at Empire State College
- Schedule courses around work and life commitments
- Finish your degree where you live
- Earn a nationally recognized SUNY degree
- Save money with low tuition rates

Community College and Empire State College Partnerships

Many community colleges have already become Pathways partners with Empire State College.
