

concentration at the institution. Once admitted, transfer students shall be subject to the same regulations governing applicability of catalog requirements as native students. Furthermore, transfer students shall be accorded the same class standing and other privileges as native students on the basis of the number of credits earned. All residency requirements must be completed at the receiving institution.

[Top of Page]

Acceptance of Transfer Credit

To recognize courses appropriately and provide equity in the treatment of incoming transfer students and students native to the receiving institution, transfer credit will be accepted for all successfully completed college-level courses completed in and after fall 2005 from Ohio state-assisted institutions of higher education. Students who successfully completed A.A. or A.S. degrees prior to fall 2005 with a 2.0 or better overall grade-point average would also receive credit for all college-level course they have passed. (See Ohio Articulation and Transfer Policy, Definition of Passing Grade and Appendix D.) While this reflects the baseline policy requirement, individual institutions may set equitable institutional policies that are more accepting.

Pass/fail courses, credit by examination courses, experiential learning courses, and other nontraditional credit courses that meet these conditions will also be accepted and posted to the student record.

[Top of Page]

Responsibilities of Students

In order to facilitate transfer with maximum applicability of transfer credit, prospective transfer students should plan a course of study that will meet the requirements of a degree program at the receiving institution. Students should use the Transfer Module, Transfer Assurance Guides, and Course Applicability System for guidance in planning the transfer process. Specifically, students should identify early in their collegiate studies an institution and major to which they desire to transfer. Furthermore, students should determine if there are language requirements or any special course requirements that can be met during the freshman or sophomore year. This will enable students to plan and pursue a course of study that will articulate with the receiving institution's major. Students are encouraged to seek further information regarding transfer from both their adviser and the college or university to which they plan to transfer.

For more information, contact the Undergraduate Admissions Office (216) 687-5411.

Blanket Transfer Credit

A transfer student from a regionally accredited community college or a junior college who has achieved an Associate of Arts degree will qualify for blanket transfer credit of 60 to 64 semester credits provided that all credits used for that degree have been earned at a regionally accredited institution and the degree curriculum contains the following distribution of credits:

Subject	Credit
English Composition	6

Special Catalog Rights for Transfers from CCC, LCC, or LCCC

Under certain circumstances a student who transfers to Cleveland State University from Cuyahoga Community College (CCC), Lakeland Community College (LCC), or Lorain County Community College (LCCC) has special catalog rights.

If a student has earned an Associate of Arts degree from one of the three area colleges, and if at least 75 percent of the completed course work was chosen from Cleveland State transfer guides in effect at the time of entering the community college, the student may meet the curricular requirements as stated in the Cleveland State University *Undergraduate Catalog* either for the academic year in which admission was granted to Cleveland State or for the academic year in which the student was admitted to the community college. This is only if the Cleveland State *Catalog* was issued no earlier than two years prior to the student's admission to the university.

Correspondence Courses

A maximum of 10 semester credits may be granted for correspondence courses completed through a regionally accredited college or university or the Defense Activity for Nontraditional Education Support (DANTES).

Advanced Placement Credit

Advanced Placement (AP) Program credit is offered under the auspices of the College Board to high-school students who have completed an official advanced-placement course. Arrangements for testing are made through the high school in which the student is enrolled. Cleveland State grants freshman-year credit for each examination score of 3, 4, or 5. Credit is available in art, history, biology, chemistry, computer science, economics, English, French, German, history, mathematics, music theory, physics, political science, and Spanish.

Students, including transfer students, interested in receiving Advanced Placement credit from Cleveland State should have their official score report sent directly to the Application Processing Center in the Office of the University Registrar. The Registrar's Office administers the granting of credits for this program.
