

## Transfer Credit Policy

---

Drexel may grant you credit for courses completed at a college or university that is either regionally accredited or a recognized candidate for accreditation according to the Association of Colleges and Schools/Commission on Higher Education. To receive transfer credit for courses completed at another university, the courses must be substantially equivalent to courses offered in the desired curriculum at Drexel and you must have completed the courses with a grade of C (C=2.0) or better. The transfer courses listed should be used as a general guide and might not be acceptable for every major at the university. We make every effort to keep this site current but we cannot guarantee that every course will be acceptable for transfer. The number of credits you can transfer will be determined by your department once you've been accepted.
