

Transfer Students

Candidates for admission who have attended other colleges and universities should submit applications for transfer to the Office of Enrollment Management. Students are accepted on a rolling admissions basis.

The transfer applicant must submit complete seal-bearing transcripts from all the college/College and secondary schools attended, a list of courses in progress, a catalog describing courses completed at the college level, institution evidence of honorable withdrawal (Transfer Application Evaluation).

Transfer credit towards undergraduate degrees will, in general, be granted for appropriate academic work completed with a grade "C" (2.00) or better at an accredited institution. Credit may be granted for courses without direct Gratz College equivalents when such courses are of clear academic merit. Candidates for admission from junior colleges, community colleges or institutes are judged by the same regulations pertaining to applicants from four-year institutions. Credits will be granted as above, for appropriate courses completed in a two-year program, provided that the institution is regionally accredited or a candidate for such accreditation.

Applications for transfer of credit from non-accredited institutions are considered on an individual basis. Credit is granted for those courses that are of clear academic merit and in which the transfer applicant has earned grades. In all cases, the College reserves the right to require a written examination in the course or courses in question before transfer credit will be granted.

Half of all required credits must be completed at Gratz College.
