

Transfer credit

Undergraduate transfer credit

For its undergraduate programs, Antioch University Seattle accepts college-level credit in transfer from regionally accredited institutions. Credits for college-level courses normally are accepted if the transfer credit carries a grade of C or better.

Developmental or remedial courses are not accepted in transfer, nor are continuing education courses. No more than 120 lower-division quarter credits are applicable toward a baccalaureate degree. Antioch University Seattle operates on a quarter system.

Transfer credits from institutions operating on a semester system are accepted on the basis that two semester-hours of credit are equivalent to three Antioch credits. Associate degrees from regionally accredited institutions generally transfer. Students normally receive the number of quarter credits they have earned at the institution awarding the degree, subject to the following limitations:

- Courses below college level do not transfer.
- Courses with grades below C do not transfer, except where an interinstitutional direct transfer or dual enrollment agreement provides otherwise.
- Continuing education and clock hour courses do not transfer.
- Transfer of physical education activity courses is limited to 6 quarter credits.

Antioch may also accept up to 30 undergraduate quarter credits in transfer from institutions accredited by specialized accrediting bodies as defined by the American Council on Education, including many vocational, technical and professional courses. Such courses would include those that have a specific career application or skill-building focus and can be incorporated into the student's plan of study. Antioch University Seattle also accepts undergraduate credit from a number of other sources, including advanced placement, the college level examination program (CLEP), international baccalaureate, military service and correspondence or online courses if offered by regionally accredited institutions.

Direct Transfer and Dual Enrollment Agreements

Antioch University Seattle maintains a variety of Direct Transfer and Dual Enrollment Agreements with other colleges and universities. If you are planning to transfer to Antioch and are not sure if your present institution has a special transfer agreement with Antioch University Seattle, contact Antioch's department of Admissions. Prior experiential learning credit In the B.A. in liberal studies program, Antioch may grant credits based on pre-enrollment experiential learning from work or life experience rather than from academic study or a formal examination program. Students who seek credit for such learning complete written learning narratives that specify and demonstrate their college-level learning. For details, consult the prior learning coordinator, the B.A. program admissions counselor or see the B.A. in Liberal Studies section of this catalog. *Prior learning credits are not available in graduate programs.*
