

Arkansas State University-Mountain Home Transfer Policy

Admission

Students who have completed fewer than 24 semester hours at a regionally accredited college or university will be admitted on the same basis as entering freshmen. Transfer students with a cumulative GPA below 2.00 may be admitted conditionally with academic warning. No student on academic suspension from any school, college, or institution of higher learning may enroll until one regular semester has past.

Students who have completed 24 or more semester hours at a regionally accredited college or university must have a cumulative grade point average of 2.00 and must submit the following:

1. A formal application for admission.
2. Official transcripts from all colleges attended.
3. Documentation (required by Arkansas statute) of immunization for measles and rubella (State Health Department requires immunization be dated 1968 or later to be valid or documentation showing proof of birth prior to January 1, 1957). Two MMRs are required.

Note: If the 24 transferring hours do not include English Composition and an algebra course, transfer students must also submit ACT, SAT, ASSET or COMPASS scores for placement.

Transfer students who do not provide evidence of compliance with state-mandated remediation requirements will receive conditional admission based on ACT/SAT/ASSET/COMPASS scores and/or transcript evaluation(s). See the description of [conditional admission](#) under Admission Categories.
