

# Course Transfer

The **maximum number of transferred credit hours** that may be applied toward an ACU undergraduate degree is 96. No more than 66 semester hours of credit may be from a community, junior or other two-year college.

About course transfer:

- Transfer courses with a grade of C or higher from regionally accredited institutions will be posted to the student's ACU records and may count toward graduation if the credits are appropriate.
- Transfer courses will be posted at the same level they were taken at a previous institution. ACU accepts only work equivalent or comparable to work offered at ACU.
- A student who transfers four different exercise science activity courses to ACU is exempt from taking EXSC 100.
- Grades for transfer courses are not included in the student's GPA at ACU.

To view a list of classes that will transfer to ACU the [Texas Common Course Numbering System](#) is a helpful tool.
