

Transferring Undergraduate Credits

Because Bastyr University is an upper-division institution, all undergraduates are transfer students who have completed undergraduate coursework elsewhere. The University accepts undergraduate transfer credits earned at any regionally accredited college or university as long as the courses are similar in content and taught at the same level as courses at Bastyr University.

You may transfer a maximum of 135 quarter credits or 90 semester credits toward an undergraduate degree at the University. You must have at least a 2.25 cumulative grade point average, with a grade of C (2.0) or better in all required courses. Please see the [Transfer into an Undergraduate Degree](#) page for detailed information and policies.
