

Transfer to Blackfeet Community College: Students who are transferring from another college to Blackfeet Community College need all official transcripts of previous credits sent to the Admission's Office. These credits will be evaluated by the Registrar and Department Chair. Students completing all 100 level and 200 level courses with a "C" grade or better may apply these transfer credits toward a degree at BCC. All transfer students who transfer with a 1.99 grade point average or lower, and former BCC students returning after an absence of five or more years, are required to take the BCC Compass Assessment/Placement Test before registering for courses.
