

Level of Transfer Credit

Transfer credit shall be accepted on the same level at which the work was offered at the source institution. Junior-senior level credit will not be granted for courses taken at the freshman-sophomore level.

Acceptance of Transfer Credit

Credit from collegiate institutions which are accredited by one of the regional accrediting associations, such as the North Central Association of Colleges and Schools, will be considered for acceptance at Bradley University. Bradley University also participates in the Illinois Articulation Initiative. Credit may also be accepted in specific professional courses from certain institutions which are not regionally accredited, but whose curricula are accredited by professional accrediting bodies recognized by the Council on Post Secondary Education. Credits from other institutions, including foreign universities, will be evaluated for possible transfer on a case-by-case basis.

Acceptance of transfer credit will be based on compatibility of the transfer work with the nature, content and level of work offered at Bradley. Application of transfer credit to satisfy specific college graduation requirements shall be determined by the dean of the college in which the student is majoring. In the event that a student changes majors while at Bradley, a new evaluation of the transferred credit will be completed by the department. Transfer credit which meets the general education requirements at the source institution may be applied to the general education requirements at Bradley. A maximum of 66 semester hours of credit will be accepted from accredited two-year colleges. Unlimited credit may be accepted from four-year institutions.

Transfer students from colleges and universities offering the baccalaureate degree must successfully complete a minimum of thirty semester hours in residence at Bradley to satisfy degree requirements.
