

Evaluation of Transfer Credits

CBC accepts work passed at accredited colleges and universities, and gives consideration to formal studies completed at accredited vocational schools, military service schools, and trade and industrial training programs. Previous education and training are evaluated for similarity to CBC courses. Credit toward CBC degrees and certificates may be awarded when equivalent courses are in the CBC curricula. Courses taken more than five years prior to entry into CBC may not transfer if content and/or technology in the subject area has changed significantly. Requests for evaluation of previous education and training should be made to the Dean of Instructional Services.

Credit will be awarded provided that the student is officially enrolled at CBC, and the student has furnished the Registrar's Office an official transcript from the institution attended showing satisfactory completion.
