

Transfer of Credits

The student who wishes to transfer his/her credits to another institution should plan accordingly. Although students receive academic advising, the student must assume the responsibility for knowing the requirements of the college to which he/she will transfer.

Colleges and universities vary in their policies regarding what courses may be credited toward advanced standing. Dawson Community College has every assurance from the units of the Montana University System that courses that were properly selected and credits that were earned will be accepted.

Official transcripts of credits earned at DCC will be sent to other institutions only upon the written request of the student. Forms are available in the DCC Main Office. DCC reserves the right to withhold transcripts from students who are in debt to the institution. Students have the right to discuss the matter with the business office personnel to resolve any disputes.
