

Transfer Credit Policy

Application; \$50 nonrefundable application fee; official college transcripts; SAT or ACT scores and high school transcript if less than one collegiate academic year has been completed (less than 24 completed semester credits); Christian faith and academic references. An admission interview is required. A college catalog may be required for transfer credit evaluation if not available online.

Transfer students' transcripts are evaluated by the Registrar's Office and faculty. Transfer credit will normally be granted for courses officially transcribed from a regionally accredited institution provided such work is appropriate to degree requirements at Gordon and was completed with a grade of C minus or above. Work from non-regionally accredited institutions will be considered with additional documentation which, on evaluation by Gordon faculty, demonstrates equivalency of information and learning outcomes. Giving credit for a course does not guarantee the course will fulfill a major requirement. A minimum cumulative grade point average of 2.0 is required but does not guarantee acceptance. Application of transfer credit must be finalized by the end of the first term at Gordon College. Pass/fail courses are not transferable without official validation that the minimum passing grade is C. A student's Gordon cumulative grade point average is computed only on credits attempted in courses listed in the Gordon catalog.

A minimum of 20 Gordon credits is required in the core and each major, and at least three of five core thematic courses must be taken at Gordon.
