Students Transferring to HCC from other colleges/universities

Transfer students are students who have previous college work and plan to pursue a certificate or degree at HCC. HCC evaluates, accepts, and awards credit for transfer course work, experiential learning, advanced placement, and professional certificates that is consistent with the HCC mission and for which we can ensure that the course work and learning outcomes are at the collegiate level and comparable to HCC certificate and degree programs.

Transfer students are required to send official transcripts from each previously attended college or university. Counselors evaluate transfer work at the time the degree plan is filed. Students are encouraged to meet with an HCC counselor prior to registration but no later than the end of their first semester of enrollment to complete their degree plan. Transfer students should follow the basic procedures for admission.
