

Transferring Credit to Howard College/SWCID

A student transferring from another accredited college or university is ordinarily eligible for admission if he or she is eligible for readmission to the institution that he or she previously attended.

The following conditions apply:

- A student on academic or disciplinary suspension from the last school attended will be considered for admission to Howard College on an individual basis only.
- Students with a grade point average below a 2.0 from the last college attended will be placed on academic probation and will be subject to the conditions outlined in the Scholastic Progress Standards section of the Catalog and Student Handbook.
- Grades of “D” will not be accepted for transfer credit if a student’s grade point average is less than 2.0.
- Credits for courses in which a passing grade (“D” or better if student’s overall grade average is “C”/2.0 or better) has been earned may be transferred from any college accredited through one of the regional accrediting associations, such as the Southern Association of Colleges and Schools. Credits may not be transferred from any U.S. institution not so accredited.
- Developmental/preparatory, remedial or any other non-degree credit course cannot be used for transfer or in determining the 2.0 (“C”) transfer average.
- Course work completed at colleges outside the United States will be considered for transfer on an individual basis. See the International Student Policy.
- Howard College/SWCID awards transfer credit for “credit by examination” if it is included on an official transcript from an accredited college or university, if it is within the established 18 hour limit, and if it is appropriately related to the student’s educational program.
- Transfer policies and requirements may vary for career technical programs. Students should contact specific program offices for information on transferring credit to HC/SWCID.
