

Transfer of Credit

Credit earned at another accredited institution is acceptable for transfer and may be used to meet degree requirements, provided the courses are applicable to the program and curriculum in which the student enrolls. A transcript evaluator is employed by the College and the instructional deans may be consulted to make a final determination in order to ensure the integrity of programs of study. The following sections detail criteria used for acceptance of transfer credit.

In order to graduate, a student must have a 2.0 grade point average on all work in the respective degree plan. Grades from other institutions are recorded as received. No grade is changed.
