## **CONCURRENT ENROLLMENT AT ANOTHER COLLEGE**

Students may enroll in another institution with the approval of the School Dean, their advisor, the Registrar's Office, and the Vice President for Academic Affairs. Failure to receive approval from these four may be cause for dismissal of credit.

## **TYPES OF CREDIT**

## **ADVANCED PLACEMENT AND ADVANCED STANDING**

Advanced Placement and Advanced Standing are tests given by various departments for some courses in General Education in which a student may score high enough to pass the course by examination. These examinations are given primarily to freshmen and sophomores and may be taken only during the first two weeks of the fall or spring semester. Application forms for the examination may be secured from the Office of Academic Affairs. There is a fee associated with the test. A maximum of thirty (30) hours of credit by Advanced Placement or Advanced Standing may be counted toward a degree.

## **EXTRACURRICULAR LEARNING**

After careful evaluation in some instances an Advanced Placement test will be given.

## **CLEP EXAMINATION**

Certain CLEP general examinations are accepted by Langston University as a means of earning credit for general education requirements. Earning credit in general education by means of the CLEP examination does not automatically satisfy requirements in major fields. The use of CLEP examinations for this purpose is determined by the individual department or division. Students are encouraged to consult with department heads or school deans on the use of these examinations.

## **CREDIT FOR MILITARY SERVICE**

Students who have previously served in the Armed Forces will be allowed eight (8) semester credits by submitting a DD-214 form or its equivalent to the Registrar's Office. Langston University cooperates fully with the requirements of the Oklahoma State Regents for Higher Education Articulation Policy for transfer of students among institutions in the Oklahoma State System of Higher Education. A student who has been awarded the Associate of Arts Degree or Associate of Science Degree from an approved Oklahoma State Accredited College or Junior College will have completed general education requirements so long as the degree includes the minimum course requirements outlined in the Articulation Policy and so long as no requirement is lacking which is mandated by the Oklahoma State Regents for a bachelor's degree. Students majoring in a Teacher Education Program must meet all Admission to Teacher Education requirements. Students with the Associate of Arts Degree or Associate of Science Degree from a properly accredited out-of-state college or junior college will be given benefit of the Oklahoma Articulation Policy only if the degree contains the minimum requirements of the policy.
