

Transfer Policy

Coursework submitted for transfer credit will be evaluated for equivalency by the registrar. Only courses completed with a grade of C or higher will be considered for transfer credit. The course must be of appropriate level for the degree sought and be in a content area similar to the content area of the course offered. Teacher credentials must also be evaluated for credit earned at non-regionally accredited institutions. Although the university may offer transfer credit for a particular course, such acceptance does not guarantee that the course will satisfy the requirements of a particular degree program. Students desiring to appeal the results of an evaluation, may appeal, in writing, to the appropriate academic dean, whose decision is final.
