More about Transferring Credit

- **TransferMSU Credit Equivalency System**

Admitted students with college or university credit will be able to access their official transfer credit evaluation approximately six weeks after their required Advanced Enrollment Deposit is received. This evaluation, available on the student's [StuInfo](#) page, shows how courses completed at other institutions transfer to Michigan State University. Transfer students are encouraged to use the Transfer MSU searchable transfer credit equivalency system to identify courses that may transfer to MSU.
