

Midland College accepts college-level transfer courses with a grade of “D” or better earned from accredited colleges and universities. Transfer coursework is evaluated by the end of the semester in which the transcript is received for all students other than those who are transient or non degree seeking. Transfer credit is granted only for work (a) completed at a regionally accredited institution, (b) evaluated by a recognized foreign transcript evaluator, or (c) completed at an approved institution. Transfer courses from Texas institutions with a Common Course Number and drawn from the Academic Course Guide are accepted. Courses found in the Workforce Education Course Manual may also be accepted. Courses not included in 3) above are evaluated based on content and semester credit hours with consultation with and approval of instructional administration as needed.

Transfer students are required to provide official copies of all transcripts from every college or university previously attended. As transcripts from accredited colleges and universities are received, they are evaluated in the Registrar’s Office. A copy of that evaluation is sent to the student at the address recorded in the student files. Continued enrollment is contingent on receipt of all transcripts.
