

Transfer Students

Transfer students may enter Multnomah Bible College with advanced standing. In order for a course to be received by Multnomah, it must be approved by the registrar with the following criteria to be evaluated: (1) Each course must be taken at a school that is a member of a CHEA-approved accrediting agency, authorized to confer degrees in Oregon, or otherwise individually or categorically approved by the Office of Degree Authorization; (2) the course must be completed with a C- grade or better; (3) the course must be parallel in content and credit value to subjects in this school's curriculum or be applicable to general education or elective requirements; (4) up to 33 professional-technical hours applicable in an associate degree or certificate at an accredited institution can be accepted as general elective credit. Students may also apply CLEP, AP, and International Baccalaureate credit toward their degree as long as it is applied prior to the completion of their sophomore year.

To obtain advanced standing, the transfer student should send transcripts. For courses in the Bible and other majors or minors, the registrar's evaluation and departmental approval are required before transfer credit is recorded.

The number of credits transferred from other schools, as well as the record of accomplishment at Multnomah Bible College, will be stated on the student's permanent transcript.

College Level Examination Program (CLEP)

The Educational Testing Service of the College Board provides nationally recognized standardized testing through which college credit may be earned or course proficiency verified. Tests may be taken in four subject areas or up to 20 semester hours of credit whichever is greater. All CLEP exams must be completed prior to the end of the sophomore year unless a student transfers in with junior standing or above. For students who enter as juniors or above they must complete any CLEP exams during their first semester of enrollment. Students in the Adult Degree Completion program may earn up to 30 semester hours of credit through CLEP exams and they can complete CLEP exams at any time during their program. See the registrar for details. Tests are administered on campus.

Military Credit

Multnomah generally grants credit for military education experiences as recommended by the American Council on Education's Guide to the Evaluation of Educational Experiences in the Armed Services, and in accordance with school policies regarding transfer credits. Students may request evaluation of credits earned through the Community College of the Air Force, Defense Language Institute, or military education. Students must submit official copies of college transcripts or a Certificate of Completion from the Defense Language Institute. An official copy of the student's DD 214, DD 295 or an AARTS transcript is required for military education and occupational credits.
