

Transfer of Credits

Credits from regionally accredited two-year institutions, with grades of “C-” or above, are evaluated on a course-by-course basis. A maximum of 64 undergraduate semester hours will be accepted for transfer from junior or vocational/technical colleges. (An additional 29 undergraduate hours are transferred for graduates of NLN accredited collegiate based nursing programs.)

Undergraduate credit is accepted from all regionally accredited four-year institutions for courses with a grade of “C-” or above. Nebraska Wesleyan students who wish to enroll in one or more courses at another institution should secure in advance the approval of the Registrar and the appropriate department chair(s) to ensure that credits are transferable. Students must, however, adhere to the appropriate residency policy. (See “Residency Requirement” on page 43.)

To ensure transferability of credits earned while studying abroad, students secure written permission from the Director of International Education and their advisors before leaving the United States. For more information and special advising on study abroad programs, contact the Director of International Education.

Students transferring from other institutions will have their transcripts evaluated by the Registrar to determine which credits Nebraska Wesleyan will accept. (See “Admission of Transfer Students” on page 20.) For a master’s degree, graduate credit with a grade of “B-” or better may be transferred from other institutions, with the approval of the Registrar and specific graduate program at Nebraska Wesleyan. The transferring institution must be regionally accredited. Transfer credits count toward the total number of hours earned, but are not included in GPA calculations. No undergraduate transfer credits are given for courses with a grade of “D+”, “D” or “D-” or the equivalent. No graduate transfer credits are given for courses with a grade or “C+” or lower or the equivalent.
