

Transfer Credits

Credits from accredited postsecondary institutions are automatically evaluated after official transcripts are received by the DACC Admissions Office. A transfer student may, on the basis of an evaluation of her/his transcripts, receive credit for courses taken at other postsecondary institutions in which a grade of D or higher was received. However, D grades at DACC/NMSU will not satisfy basic academic competency (basic skills) in English and mathematics. Additionally, individual programs may choose to only accept courses graded C or higher in their programs. Grades earned in courses taken at other institutions are not included in the calculation of the DACC/NMSU GPA.

Coursework from non-accredited institutions may be evaluated only after the student has completed 12 credits at DACC with a minimum GPA of 2.0. DACC has an established process for evaluating coursework completed at international institutions, non-accredited institutions/training academies, and through high school articulation agreements. The student should initiate the request for evaluation of this coursework with the academic department chair or program director. If approved by the division dean and vice president for academic affairs, coursework can be applied toward certificate or associate degree completion.
