

## Transfer Students

Northcentral University welcomes transfer students. We accept transfer credits from regionally accredited colleges and universities, and from institutions approved by a foreign nation's Minister of Education where their approval process is comparable to accreditation in the United States.

After conducting an academic evaluation of your college transcripts, we will accept credits in transfer appropriate to your Northcentral degree program. For Bachelor's degree programs, you may have a maximum of 90 semester credits considered for transfer. Course grades must be 2.0 ("C") or better.

*Northcentral welcomes all students and does not discriminate on the basis of race, color, national origin, religion, disability, gender, age, sexual orientation or in any other way in any of its policies, practices or procedures involving applicants, Students, Faculty Mentors, staff and the public. We reserve the right to refuse admission to anyone we believe does not meet our academic standards.*
