

## CREDIT BY TRANSFER

Credits earned in other accredited institutions will allow a transfer student advanced placement in a like program at Northeast. Credits earned at non-accredited institutions may be allowed after being evaluated by the Northeast division dean. Students should note that such courses taken at a non-accredited institution and accepted by Northeast may not be accepted by any other transfer institution. Coursework for which the student earned less than a "C" grade will not be accepted for credit by transfer. In addition, coursework under the 1000 level will not be accepted for credit by transfer.

A student entering with advanced standing by transfer must present an official transcript from each institution previously attended to the Registrar's Office at Northeast. Decisions on the applicability of credits will be made by the division dean, department personnel, and Registrar.

## CREDIT FOR PRIOR LEARNING

Credit for Prior Learning is a process that involves identification, documentation, assessment, and recognition of the learning you have acquired through formal and informal study. Prior Learning includes learning from work and life experiences; correspondence and extension courses; individual study and reading; civic, community, and volunteer work; and participation in informal courses and in-service training sponsored by associations, business, government, and industry.

For information on how to begin the process of earning credit for prior learning, contact any division dean or the office of the Registrar.
