

Transfer of Credit from other Accredited Colleges and Universities

Undergraduate and graduate semester credit hours earned at another college may be applied toward a degree or certificate program at OSU-Oklahoma City. The credit must have been earned in courses offered at a college or university that has been fully accredited within the Association of the Council on Postsecondary Accreditation.

The Registrar's Office will make the determination of acceptance of any course to be accepted for transfer to OSU-Oklahoma City. The number of credit hours to be accepted and the applicability of such evaluated credit will also be determined at that time.

Applicability of evaluated courses to a particular program at OSU-Oklahoma City is made by the academic division of the specific curriculum in accordance with the recommendations for transfer from the Office of the Registrar.

Credit will be evaluated from each individual college transcript. Credit for military training will be determined from official documents or completion certificates in accordance with the Guide for the Evaluation of Educational Experiences in the Armed Services published by the American Council on Education. Military credit posted to a previous college's transcript may be re-evaluated by OSU-Oklahoma City.
