

## Transfer Credits

**Once accepted, you'll receive an evaluation of your course work from the Rensselaer faculty.**

Transfer students can expect to receive full credit for courses of comparable depth. Rensselaer will only transfer credit for courses in which you received a grade of C or better.

To ensure the most complete evaluation, please have official transcripts sent from all previously attended colleges, and send us course descriptions from all your courses.

Course descriptions can be found in your current college's course catalog and may be copied and pasted into a Word document. Please email all course descriptions to our office at [admissions@rpi.edu](mailto:admissions@rpi.edu).

After acceptance, your course descriptions will be forwarded to our faculty for their review. Once completed, your credit evaluation will be mailed to you. We'll make every effort to ensure this process proceeds as quickly as possible. You'll have access to your credit evaluation before an enrollment deposit is required.

In order to earn a Rensselaer undergraduate degree, a student must be registered full-time for a minimum of four semesters and must complete at least 64 credits at Rensselaer, all of which will be applied to the baccalaureate degree.

If you'd like to transfer AP, IB, or A level credit from your high school, make sure your official test results are sent directly to:

**Rensselaer Admissions Transfer Programs  
Rensselaer Polytechnic Institute  
110 8th Street  
Troy, NY 12180**

Additional information about advanced placement credit will be available at orientation.
