

## Transferable Courses

The exact number of credits that will transfer will vary depending on your program; however, Rider recognizes most equivalent course work from accredited colleges and universities. In general, for any class to be eligible for transfer the course must meet the following conditions:

- A grade of a “C” or higher is earned
- The course was completed at an accredited institution
- The course is 100 level or higher\*
- The Dean’s Office in each school has final approval of transfer credit

\* Remedial and English as a Second Language (ESL) classes are not transferable

## Liberal Arts, Science, and Education Majors

- Maximum amount of 60 transfer credits are accepted from a community college
- Maximum of 90 transfer credits are accepted from a four year institution.
- A student must complete their last 30 credits at Rider University in order to earn a Bachelor’s degree in a Liberal Arts, Science or Education major.

## Business Majors

- Maximum amount of 60 transfer credits are transferable from a community college
- Maximum of 75 transfer credits can be transferred from a four year institution.
- A student must complete their last 45 credits at Rider University to be eligible for a Bachelor of Science in Business Administration.

## School of Fine and Performing Arts

- Maximum amount of 60 transfer credits are accepted from a community college
- Maximum of 90 transfer credits are accepted from a four year institution
- A student must complete their last 30 credits at Rider University in order to earn a Bachelor’s degree in a Liberal Arts, Science or Education major.
- Students interested in the Bachelor of Music in Music Theater or the Bachelor of Arts in Music must complete an [admission audition](#).
- Elective credit may be given for music courses taken at another college or university but students may not receive major credit for these courses.

## Westminster Choir College

The exact number of credits that will transfer will vary depending on your program; however, Westminster recognizes most equivalent course work from accredited colleges and universities with the exception of music courses and credits. **Music credits from any other college or university cannot be accepted for major credit.**
