

TRANSFER CREDITS

Rust College accepts transfer credits from all regionally accredited junior, community, senior colleges and universities. Rust College will accept no more than 70 semester hours of transfer credit or the hours in a conferred AA degree program towards the Bachelor's degree in any major. Students may transfer these courses upon acceptance to Rust College. No course hours over this amount will be accepted toward a Rust degree. Students may be given permission to take courses in a regular summer school or an accredited distance learning program in the summer to the extent of this policy. However, no credits below "C" in any course and no credits for any course which are not in keeping with the College's catalog will be accepted as transfer credits. Courses with quarter hour credits will be equated with semester hour credits as follows:

Equivalence in Quarter Hours Semester Hours

2	1
3	2
4	or 5 3
6	4

A student transferring from an unaccredited institution may be admitted as an unclassified student for one semester. If, during the semester, the student completes all courses attempted (minimum 12 semester hours) with a minimum average of "C", the student will be granted regular status and the appropriate transfer credits from the institution or institutions will be recorded in the student's permanent record.
