

## Acceptance of Transfer Credits

Southeastern Oklahoma State University accepts credits earned at junior and senior colleges that are accredited by the regional accrediting associations, such as the The Higher Learning Commission: A Commission of the North Central Association of Colleges and Schools. Students transferring from junior community colleges need to be aware that a minimum of 60 semester hours of course work (excluding physical education activity courses) applied toward the bachelor's degree must be earned at a senior institution.

Work taken at junior or community colleges cannot be counted in meeting the upper-division requirements of Southeastern Oklahoma State University, even if the course is equated to a 3000/4000 level course at Southeastern. Upper division requirements relate to junior and senior (3000/4000 level) courses of study.

Transfer credits are accepted and applied to degree programs generally in accordance with the recommendations in the Transfer Credit Practices Guide published by AACRAO (American Association of Collegiate Registrars and Admissions Officers). Consequently, credits from some technical colleges and professional schools may not be applicable toward degree requirements at Southeastern Oklahoma State University due to the highly technical or specialized nature of the credits earned.

Once the student is currently enrolled in course work at Southeastern Oklahoma State University, transfer credits will be recorded from the official transcript of each accredited institution attended by the student. Transfer credit will not be recorded if the student is not currently enrolled at Southeastern. Official transfer transcripts submitted to Southeastern Oklahoma State University will not be returned to the student.
