

Upon receipt of application and college transcripts, the Registrar's Office will evaluate coursework to determine transferable credits. Students will receive a copy of the evaluations.

Transfer credit will be granted for course work applicable to a Tennessee Wesleyan College baccalaureate degree taken at institutions accredited by the Southern Association of Colleges and Schools (SACS) or similar regional accrediting associations. Grades earned at other institutions are used only for admission, course placement, and other academic decisions.

Course work taken at institutions accredited by organizations other than regional associations will be reviewed on an individual basis for possible transfer credit. Tennessee Wesleyan College accepts the recommendations contained in the current issue of Report of Credit given by Educational Institutions , a publication of the American Association of Collegiate Registrars and Admissions Officers (AACRAO).

Students who transfer from 2-year accredited institutions will be granted credit up to 64 semester hours. A maximum of 96 semester hours may be transferred from all institutions. The last 32 hours of course work must be taken at Tennessee Wesleyan College.

Tennessee Wesleyan College has articulation agreements (equivalency tables) for advanced placement and area colleges, which are available for download and print. Tennessee Wesleyan College also accepts Advanced Placement credit when an official score report is received and minimum score requirements are met.
