

Transfer Guidelines

- A maximum of 68 hours may be transferred from community colleges to Texas Lutheran University. For students with more than 68 hours, the 68 hours that best complete the degree plan as of the first semester the student attends TLU will be transferred. No changes may be made to the choice of transferred hours after the student starts classes at TLU.
- Only grades of "C-" or better will transfer. Grades of "D" do not transfer.
- Community college courses may not transfer into TLU as upper-division courses (300-400 level), even though TLU may have an upper-division course with exactly the same name and description. Community college courses may not be used to fulfill the 30-hour upper-division requirement for graduation at TLU. However, the course may be used as a substitute for an upper-division course with an approved substitution form signed by the chair and dean.
- FREX134, Exploring the Arts & Sciences, is required of all students except transfer students entering with 24 or more hours, no more than 12 of which may be earned through dual participation
- Only four hours of Physical Education (Kinesiology) activity will apply to degree requirements.
- Only four hours of Ensemble Music will apply to degree requirements.
