

Transfer students. Mid-Atlantic Christian University will grant transfer credit for comparable coursework completed at another college if: (1) that college is accredited by a body recognized by the Council for Higher Education Accreditation (CHEA), (2) the student is in good standing at that college, and (3) the coursework is relevant to the program of study the student wishes to enter at Mid-Atlantic Christian University. If the institution is not accredited, courses may be transferred if it can be documented that they are relevant, represent collegiate coursework, and are taught by qualified faculty.

Coursework that leads to the Associate of Applied Science degree that is career/technical in content is normally not transferable (e.g., HVAC or cosmetology courses). However, MACU will consider transferring up to twelve (12) semester credit hours as elective hours if the coursework is designated by the originating institution as at least a 200 level course.

For more information contact the University Registrar.

Only coursework with a grade of C or better is eligible for transfer credit. A student's grade point average for graduation will be computed on all college work used in fulfilling program requirements.

Students must submit official transcripts of all work done at other colleges. College Level Examination Program (CLEP) and Advanced Placement (AP) scores must be reported by the testing service. A student desiring to have his or her transcripts evaluated before enrolling at Mid-Atlantic Christian University should send a written request to the University Registrar.

A transfer student eligible to receive Department of Veterans Affairs (DVA) benefits must have on file in the Office of the Registrar an official final high school (or equivalent) transcript and official college transcripts showing at least 16 earned credit hours. Official transcripts for all previous college work must be on file. All college transcripts must be evaluated and any appropriate transfer credit granted before the student's enrollment will be certified for DVA benefits.

If a student was on academic probation or suspension at the last college attended prior to enrolling at Mid-Atlantic Christian University, and if this attendance was within the last five years, the student may be admitted on probation at the discretion of the Application Review Committee. If admitted, such students must earn a minimum GPA of 2.00 the first semester in order to remain enrolled (see the Academic Policies section of the MACU catalog available online at <http://www.macuniversity.edu/academics/catalogs-course-schedules-and-syllabi>).
