

Will my Credits Transfer?

View/print PDF with free Adobe Acrobat Reader.

Only accredited community college and university credits are accepted. UL Lafayette does not accept credits from vocational, special program or business schools.

All courses and grades from an accredited college or university will transfer and be used in your total hours attempted, earned and the cumulative GPA. These totals will be used for financial aid status, scholarship requirements and academic status. However, all credits will not necessarily satisfy the requirements for your specific major. Transferable credits for degree requirements will be determined by the dean's office of your major at the beginning of your first semester at UL Lafayette.

For an unofficial evaluation of what credits will count in your degree program at UL Lafayette, you can email, fax or mail a student copy of your transcript to:

Louisiana School for Math, Science, and the Arts Articulation Agreement

Beginning Fall 2009, University of Louisiana at Lafayette has created an articulation agreement with the Louisiana School for Math, Science, and the Arts to award students college credit in select courses. Any student at LSMSA can take the approved courses and earn UL Lafayette credit. The requirements for the select courses are outlined in the agreement, which can be found below.
