

Transfer Admissions

Students applying for transfer admission are required to forward the completed application form and application fee of \$40, and official college transcripts of ALL academic work to the Admissions Office. College Board scores, secondary school records, and an interview may also be requested by the Director of Admissions.

All undergraduate students accepted to the University will be expected to fulfill both the University and program requirements prior to being awarded a degree from the University of New England. Transfer students will be individually advised by the Registration Services of all such requirements left outstanding after the evaluation of transfer credit has been completed prior to registration. A transfer student's grade point average (GPA) is based only on grades received at the University of New England.

Transfer students are evaluated on the basis of their collegiate records according to the following guidelines:

- All students who have earned an associate degree in a program of study from an accredited institution that is parallel or related to the academic offerings at the University of New England are eligible for admission to the University. The student will receive credit for all courses therein, up to a total of 65 credits. However, not all of those credits will necessarily apply towards core or degree requirements.
- Students who have earned less than an associate degree will be granted transfer credit for those courses completed at an accredited institution that parallel or relate to courses offered by the University with a grade of C- or higher. Some restrictions may apply. Refer to program descriptions for further information.
- All eligible students with a grade point average of at least 2.5 will be considered for admission to the University; students with a grade point average below 2.5 are considered on an individual basis.
- Class standing is determined by the University Registrar.
- Transfer credit is given for courses graded C- or higher. Some restrictions may apply. Refer to program descriptions for further information.
- While credits may transfer in based on the criteria above, grades and/or grade points do not transfer into the student's UNE academic record. Grades for accepted transfer courses are identified on the UNE transcript with a "TR" symbol in the grade column, which denotes credit accepted but no GPA calculation value.
