

Transfer Credit

In most cases, courses taken at regionally accredited colleges or universities will receive full credit if they are comparable to courses offered at Willamette. Courses with grades below a C- (C minus) will not receive credit. Six quarter hours or four semester hours of transfer credit equal one Willamette credit. Although students admitted with a college transfer Associate of Arts degree from an accredited community college will be automatically granted 15 Willamette credits (Junior standing) upon entrance, satisfaction of specific general requirements and major requirements will be determined on the basis of a course-by-course evaluation of the transcript(s). A maximum of 16 credits (15 credits for junior/community colleges) will be granted to transfer students.

Once a Willamette student has accumulated a total of 15 Willamette credits (60 semester or 90 quarter hours), including any transfer work, no further credits from a two-year college will be accepted toward the degree, although such courses do remain part of the official record.
