

**Transfer of Credit** - A student who has previously attended a recognized college should make application for transfer of credit to York College. The student must request both the high school and any college(s) attended to send transcripts which include statements of status at the time of graduation or withdrawal. All transferred grades become part of the CUM GPA at York College (grades of "D" are accepted but they will not fulfill any course requirements in the student's major field of study). College transfers not meeting the required scholastic level will be placed on academic probation. A student admitted on academic probation must achieve the required GPA by the end of the first semester to be removed from probation. Failure to be removed from probation will result in suspension.

York College will accept a maximum of 98 semester-hours from accredited baccalaureate-degree-granting institutions and a maximum of 68 semester hours from accredited junior colleges. A transfer student must take the final 30 semester-hours at York College. Transfer students are required to take some number of hours in Bible, not including Bible credit they transfer.

**A transfer student who has a baccalaureate degree** may obtain a different baccalaureate degree in another field by fulfilling the following requirements:

1. meet the residence requirement of taking the final thirty hours at York College,
2. complete all general education requirements, and
3. meet the specific requirements of the new degree program.

Note that Pell Grants are generally not available after a first bachelor's degree.

**Articulation Agreements** - York College is a charter signatory institution to the **Nebraska Transfer Initiative**, which guarantees, within the stipulations of the agreement, a block of general education courses for qualified students transferring between signatory institutions. For specific details, contact the YC Registrar or the appropriate advisor at your community college. Since 1995, **York College** and **Nebraska Christian College** have agreed to a continuing articulation process which would allow graduates of NCC with Associate in Arts degrees to complete specific bachelor's degree programs with only two or three years of full-time study at York College. For further details, contact the Education Division at (402) 363-5696 if interested in teacher certification, the YC Registrar for all programs (including education), or the Academic Dean of Nebraska Christian College.
